SERVICES

Lounge / bar

Located at the heart of the La Marmotte hotel, the lounge can easily be reached via the internal passageway that links the 2 hotels, without having to step out into the cold. This lounge area, completely refurbished in 2013, offers wide views of the ski slopes and hiking trails.

After a great day out in the mountains, what more could one wish for than to relax in front of the fire, snuggled comfortably in an armchair. This is the ideal moment to discover our range of «2 marmottes» herbal teas, enjoy a cup of our home-made hot chocolate or succumb to the temptation of one of our chef's pastries. Then, when evening falls, the lounge becomes the perfect place for a pre-dinner drink with friends or family.

Restaurant

Just a few metres further on, at the end of the passageway, you will find La Marmotte's restaurant. In the morning we provide you with a full and varied buffet breakfast; home-made jam, traditional and special breads, French pastries, cereals, cold meats, cheeses, fresh eggs, etc.; everything you need to be brimming with energy!

The evening meal is a fine-dining experience, inspired by regional produce. Our chef creates mouth-watering, traditional and authentic family dishes made with seasonal produce.

At noon in winter, the La Païka mountain restaurant serves fresh produce, barbecued meats and a delicious buffet of home-made desserts.
